AUGUST 15, 2016

Bangkok-Travel With Kids

August 2016 we went to Thailand and had an amazing trip! We found an amazing deal via [Skyscanner](#) and decided to go for it! We were hesitant about the long flight (13 hours, layover, another 3.5) but the flight was one of the best we've been on! Milana was a champ. She did crafts for the first few hours, watched some shows, ate

The video player shows a hand holding a smartphone displaying a travel app. The app's main screen features a scenic background of a river and green hills. A green button labeled "Explore T" is being pressed by the user's thumb. Below the main screen, there are three circular icons: a house icon labeled "Hotels", a magnifying glass icon labeled "Quick Search", and an airplane icon labeled "Flights". The video player interface includes a progress bar at 3:51 / 4:52, a volume icon, a CC icon, a settings gear, a full-screen icon, and a share icon. The YouTube logo and search bar are visible at the top of the player.

A screenshot of the Skyscanner.ca website. The header includes navigation for Flights, Hotels, and Car Rental. The main content area features a large image of a woman looking out at a sunset over water. Below the image is an article titled "Hear what travel expert and blogger GlamTrekker has to say about her travel game changer" dated Thursday, July 28, 2016. The article text begins with "Nicole, the author behind the incredible travel and beauty blog, GlamTrekker, decided the corporate life was just not for her. She always had the travel bug, and after looking at countless travel blogs online, decided to take the plunge. After cutting on some...". To the right of the article is a Meliá advertisement for the Meliá Orlando Suite Hotel at Celebration, with a "BOOK NOW" button and the price "\$81". Below the article are social media sharing icons for Facebook, Twitter, Print, Email, Pinterest, and LinkedIn. At the bottom, there is a "Want more? Try these:" section with a link to "What to Read if Traveling in..."
