Bridget Casey

After graduating from the University of Alberta with a BSc., Bridget Eastgaard realized she had over \$21,000 of student loan debt. She started her career and began putting large lump sums down on it, while building her investment portfolio and saving for retirement. She paid off her debt in less than 2 years, which she wrote about on her blog. Bridget is now completing her MBA at the University of Calgary, and wants to help her readers build happy (and wealthy) lives.
